- All entries and payments will be submitted online. Ride times will be assigned to those who submit a completed online entry form, current coggins (via photo or PDF upload), and payment (via PayPal or Venmo). ***The entry booth will not be checking late coggins or accepting payments the day of the show.***
- Riders may arrive **ONE HOUR** before their assigned ride time and must exit the show grounds once their division is scored and ribbons are awarded. Please limit the number of people who accompany you to the show to two people maximum.
- Rider numbers will be available for pick up at the entry booth. Please return numbers after your ride to the number return bin. Scores and ribbons will not be given until numbers have been returned.
- All unmounted persons must wear a mask **and** observe social distancing rules.
- Hand sanitizer and wipes will be available at the entry booth and outside the restroom facility.
- Trailers should follow all parking signs and park with sufficient space in between one another so social distancing rules are followed.
- Water will be available in the trailering area for horses.
- No food or beverages will be served by the Tidewater Pony Club. Please bring your own.
- All dogs must be on a leash.

We are counting on all participants and spectators to adhere to these rules so that we may continue to offer shows at GRS this year. Anyone who does not follow these guidelines is putting themselves, others, and GRS at risk and will be asked to leave the grounds by show management.
